DELTA DENTAL

Welcome New Mexico Retiree Health Care Authority (NMRHCA) Members!

Thank you for your interest. Eligibility for enrollment in NMRHCA is determined by NMRHCA, not Delta Dental. If you have questions about whether you are eligible to enroll, or when you may enroll, please contact NMRHCA by phone at 505-222-6400 or 1-800-233-2576. NMRHCA also provides to its members information about all available benefit options and rates. The information on this page is intended only as a brief overview of the plans available from Delta Dental. The NMRHCA customer service email address is CustomerService@nmrhca.state.nm.us. You may also learn more by visiting www.nmrhca.state.nm.us.

There are two Delta Dental NMRHCA plan options:

1. The **Basic Plan** covers Preventive Services (such as exams and cleanings), and Basic Services, (such as fillings or extractions). This plan does not cover any type of Major Service.

   Basic Plan premiums (effective January 1, 2015 to December 31, 2015) are:

   $17.85 per month – Individual Retiree
   $33.48 per month – Retiree plus 1 dependent
   $56.08 per month – Retiree plus 2 or more dependents

2. The **Comprehensive Plan** includes all the coverage applicable under the Basic Plan plus coverage for Major Services (such as crowns, dentures, and implants), and Orthodontic Services in addition to a higher in-network annual maximum.

   Comprehensive Plan premiums (effective January 1, 2015 to December 31, 2015) are:

   $39.85 per month – Individual Retiree
   $75.72 per month – Retiree plus 1 dependent
   $122.23 per month – Retiree plus 2 or more dependents

In New Mexico, under both the Basic and Comprehensive plans, the highest level of benefits is available only in-network from a dentist who participates in the Delta Dental provider network called **PPONew Mexico**. (In other states, the higher in-network benefits are available when services are received from a dentist who participates in the network called **Delta Dental PPO**.)
Not all Delta Dental dentists participate in these networks. If you are not sure that your dentist is considered in-network under your dental plan, please call us or refer to the provider directories available on this website.

For a list of in-network **PPONew Mexico** dentists in New Mexico, click here. If you need services outside New Mexico, you may search nationally for a participating **Delta Dental PPO** dentist here.

Other featured information is available on this website in the Members section at the top of the home page. Enrolled members may select Subscriber Materials (to view or print coverage documents) or Consumer Toolkit for online access to a printable ID card and personalized benefit information such as the status of a claim.

Great service is our way of saying, “Thank you for your enrollment,” and we look forward to yours.
