

Clean 13

Children's Dental Benefit for 0-13 Years

Every Child Needs to See the Dentist! Tooth decay can cause a child serious pain, making it hard to eat, sleep and pay attention in school. Make sure your child sees a dentist twice a year to help their teeth grow healthy and strong. Great dental care habits like brushing and flossing start at home, but **your child's teeth need to be examined by a dentist - even before they've all come in!**

- ▶ **It's Affordable to Make Oral Health a Priority**
Regular dental exams, cleanings, x-rays, and even fillings are covered at 100% when utilizing an In-Network Provider.
- ▶ **Get Important Services Performed Right Away**
The Clean 13 plan offers No Benefit Waiting Periods for all Diagnostic, Preventive, and Basic Services so you won't have to push off necessary appointments.
- ▶ **Healthy Mouth, Healthy Child**
Many studies have shown that oral health and overall health are linked. Keep your child healthy and happy by taking care of their oral health.
- ▶ **Access to 24/7 Virtual Dental Visits**
Dental emergencies don't always happen during normal business hours. Get access to a licensed dentist anytime, no matter where you are.

ANNUAL MAXIMUM

The Clean 13 plan has an Annual Maximum of \$1,000

DEDUCTIBLE

The Clean 13 plan has NO deductible

MONTHLY PREMIUM PER CHILD

\$48.37 per month

Did You Know?

Tooth decay is the most common chronic childhood disease in the country, and every year children miss 51 million hours of school because of oral health problems.¹ Students who are absent miss critical instruction time, especially in the early grades where basic math and reading skills are taught.
